ID

Distinguish yourself in three easy steps

ORCID provides a persistent digital identifier (an ORCID iD) that you own and control, and that distinguishes you from every other researcher. You can connect your iD with your professional information — affiliations, grants, publications, peer review, and more. You can use your iD to share your information with other systems, ensuring you get recognition for all your contributions, saving you time and hassle, and reducing the risk of errors.

REGISTER

Get your unique ORCID identifier. It's free and only takes a minute, so register now!

2

USE YOUR ORCID ID

Use your iD, when prompted, in systems and platforms from grant application to manuscript submission and beyond, to ensure you get credit for your contributions.

3

SHARE YOUR ORCID ID

The more information connected to your ORCID record, the more you'll benefit from sharing your iD - so give the organizations you trust permission to update your record as well as adding your affiliations, emails, other names you're known by, and more.

Your 16-digit ORCID identifier is 0000-0002-0302-6711, and your full ORCID iD and the link to your public record is <https://orcid.org/0000-0002-0302-6711>

Next steps:

1. Add more information to your ORCID Record

Access your ORCID record at <https://orcid.org/my-orcid> and add more information to your record. If you haven't already done so, we strongly recommend that you add more than one email address to your account, since our system checks names and email addresses to prevent the creation of duplicate records.

Funders, publishers, universities, and others use the information contained in your ORCID record to help reduce the record-keeping they ask from you. Increase the information you can share by adding other names you are known by, professional information such as your affiliation, biography, and keywords, funding you have received, and works you have created or contributed to your record.

پس از آن صفحه اصلی پروفایل شما باز خواهد شد که شناسه ارکید شما در همین صفحه نیز قابل مشاهده است. همچنین می توانید اطلاعات مربوط به تحصیلات، شغل و ... را وارد کنید.
